## Spatial Distribution

### WC / Shower

Sink, toilet and shower are combined in a compact wet area.

### Changing / Relaxation

A comfortable transition zone for preparation, changing and short breaks.

### Sauna

Timber seating platforms, heater zone and warm ambience create the main experience.

Compact Design

Flexible Use

Wellness Experience

Fast Installation

## Interior & Living Areas

Warm textures, functional planning, premium atmosphere.

ThermaPod's interior language combines timber surfaces, warm LED lighting, a stone-textured heater niche and compact spatial organization for a complete wellness experience.

### Sauna Area

Timber seating steps, warm lighting and a peaceful atmosphere.

### Changing / Relaxation

An organized space for waiting, preparation and short breaks.

### WC / Shower

Natural-stone-look basin, shower and compact wet-area solution.

### Detail

Premium character completed by material language and lighting.

### Interior character

The timber feel of the sauna, shelving and seating solutions in the relaxation area, and the natural material effect in the WC/shower come together to create a warm, contemporary and distinctive identity.

# Technical Scope and Material Language

Function, durability and aesthetics together.

ThermaPod combines a mobile-ready base structure, compact space organization, sauna equipment and a premium interior finish in one complete product solution.

## Standard Scope Summary

- O2-certified mobile chassis
- Trailer-free fixed production alternative
- Sauna + changing / relaxation + WC / shower layout
- Electric sauna heater and stone niche
- Timber sauna seating steps
- Warm LED lighting inside sauna
- Shelving, seating and auxiliary furniture in relaxation area
- Sink, toilet and shower infrastructure in WC/shower
- Modern exterior shell and joinery language
- Electrical and plumbing infrastructure

### Structural System

Robust base and body solution suitable for mobile use.

### Heat / Vapour Control

Interior surface and volume design suitable for sauna operation.

### Roof / Facade

Modern exterior shell and durable surface language.

### Joinery / Glass

Wide openings and contemporary joinery character.

### Interior Finishes

A balanced combination of timber, stone texture and warm lighting.

### Services

Electrical, water and wastewater infrastructure-ready planning.

## Offer Summary & Commercial Terms
